

MUSIC EXPERIENCE GUIDE

Streaming

Your simple, safe streaming solution for business

Welcome to your stress-free source for uninterrupted music for business! This service is designed to let you control your music environment from the convenience of your office PC.

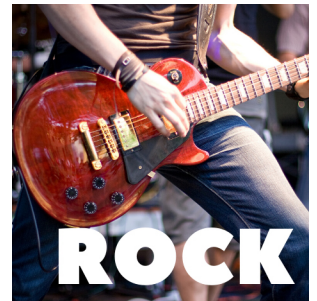

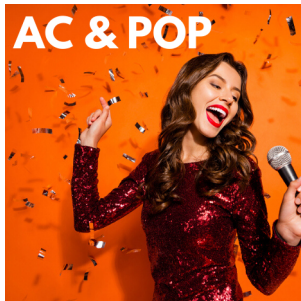

SETUP IS SIMPLE:

1. Plug the streaming box into a power source and your sound system's input.
2. Call our technical team at 1-800-748-8222 to have your customized music URL sent to you.
3. Click and save the link. You are ready to stream music! You can select any of the options included in this guide.

Genres

LICENSED MUSIC FOR BUSINESS

Deliver quality music streams 100% legal for business use in the U.S. and Canada. We report and pay all licensing fees required by ASCAP, BMI, GMR, SESAC, and SOCAN, who then ensure contributing artists get paid. Choose from an array of musical genres that reflect your style—top hits for grocery stores, singer-songwriter for coffee shops, instrumentals for reception areas, you name it. Protect your business integrity with properly licensed music.
